

GFC Reverse Logistics Unused Fasteners and empty Cartridge Returns

What do we take back?

Fixings & Fasteners

- Concrete Screws
- Gun Nails
- Loose Nails
- Nut & Bolt

Chemical Anchor Cartridges

- GFC PE600™
- GFC VY200™

Why do we take back?

At **GFC** we see it as our obligation to reduce construction waste. This begins with enablers such as reverse logistic (circular economy) solutions.

GFC will take back all* unused fixings/fasteners and used **GFC** chemical anchoring cartridges** to be safely re-purposed and recycled.

Email collection@gfcfast.co.nz now!

*this includes any brand / purchased at any supply company.

**this includes GFC chemical anchor cartridges only.
